Congratulations to everyone for your hard work in preparing for auditions. All of you are to be commended for your effort and talents. Given the large number of talented students that auditioned, it is hoped that everyone will be supportive of the casting decisions. **Not only was the casting based on the auditions, but it was also based on your presence within school outside of the theater including behavior, attendance and most importantly academics.**

Thank you to all those students who auditioned for the production. We wish that we were able to cast every person who auditioned, but unfortunately that was simply not possible. We want to make this a positive experience for everyone involved and we encourage students to use this process as a learning experience. We hope this does not discourage you from auditioning for productions in the future, or from choosing to be a part of the production in another capacity.

Thank you –
The Directing Staff of GUYS AND DOLLS

TO THOSE THAT WERE CAST, OUR FIRST REHEARSAL WILL BE January 26th AT 3PM IN THE THEATER. ATTENDANCE IS MANDATORY. FAILURE TO ATTEND WILL RESULT IN YOUR ROLE BEING RE-CAST. QUESTIONS OR CONCERNS, SEE MS. K.
